STORY by ONE &
DRAW by
YUSUKE MURATA

123 撃目 [REAL FORM

My name is SAITAMA. I am a hero. My hobby is hero activity. I became strong for me. Therefore, I am very sad. Any opponent will push down with one blow. Since my aim has failed, I want the opponent of a battle. I would like to meet the strongest enemy. I would like to meet a matchless enemy. And I would like to push down with one blow. So, I became I am a new punch-man.

MURATA WASN'T
SATISFIED WITH THE
CHAPTER AND HOW

TRANSITIONED INTO

DID SOME REDRAWS
TO THE LAST PAGE OF
122 AND MOST OF 123.
IT NOW FOLLOWS THE
WEBCOMIC MUCH
MORE CLOSELY.

THERE WERE ALSO SOME
CHANGES TO THE DIALOGUES
SO I TRANSLATED THEM -VIB

These
top
heroes
are only
considered
monsters
in human
society.

On
this day,
The Hero
Association
came into
contact
with a real
group of
monsters
for the
very first
time.

Being prepared to face death

That is not supposed to be their destiny

For those who have attained power beyond humans

Not prepared to die

Today they are

**In
their
minds,
a long-
forgot-
-ten
feeling
has
begun
to re-
emerge,**

"Fear"

But as long as he remained indifferent about narrating his combat service, nobody would have any way of knowing.

In reality, it wasn't the first time that humanity had made contact with a threat of this scale.

Still, the reason why he was so confident in the battle power of the strike team was...

In the Hero Association, there's also somebody among the officers who expected very strong monsters who could make the S-class heroes struggle.

The S-Class Rank 2 hero

Tornado of Terror

Was participating.

Her

Rather than the S-Class Rank 1 "Blast" who does not carelessly stand on the center stage, she is treated as the association's final weapon.

She is a being that nothing in the world could hope to defeat in a frontal attack.

Her
opponent
this time,

How-
ever,

THIS IS
WHAT'S
INSIDE OF
GYORO
GYORO.
...SO
THIS IS
IT'S REAL
FORM?

She had splendidly avoided tatsu-maki's attacks

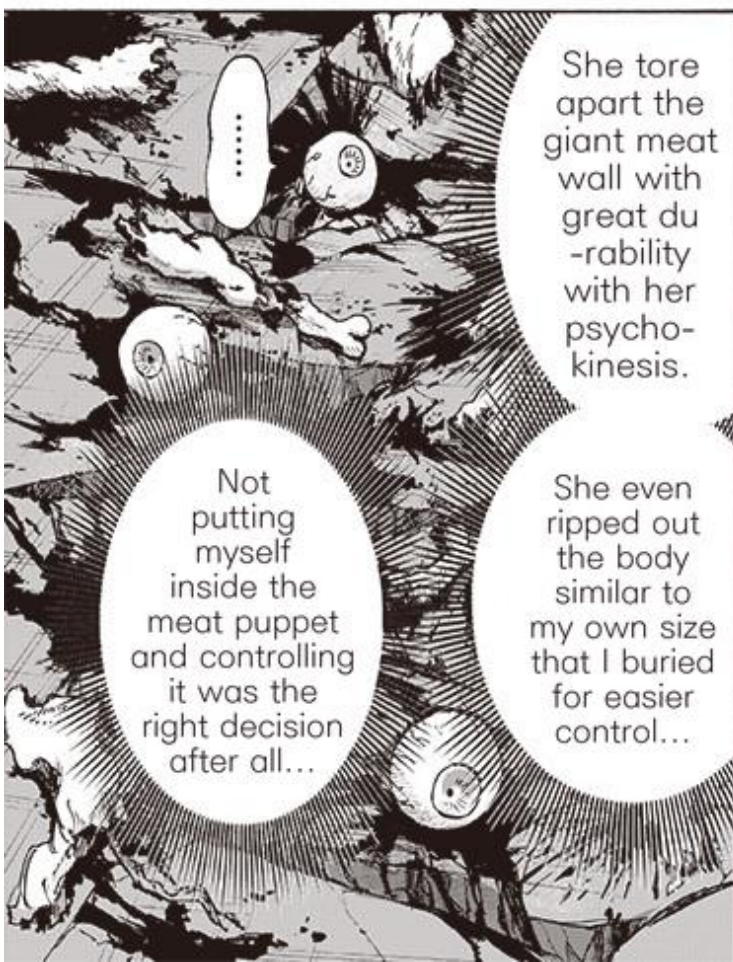

Took the opposite approach to frontal attacks.

From start to finish, from the instant they met,

ISN'T THIS JUST A REGULAR LUMP OF MEAT!

WAIT A MINUTE, WHAT THE HELL...

She tore apart the giant meat wall with great du-rability with her psycho-kinesis.

Not putting myself inside the meat puppet and controlling it was the right decision after all...

She even ripped out the body similar to my own size that I buried for easier control...

...YOU ONLY PRE-TENDED TO BE CORNERED IN ORDER TO MOCK ME?

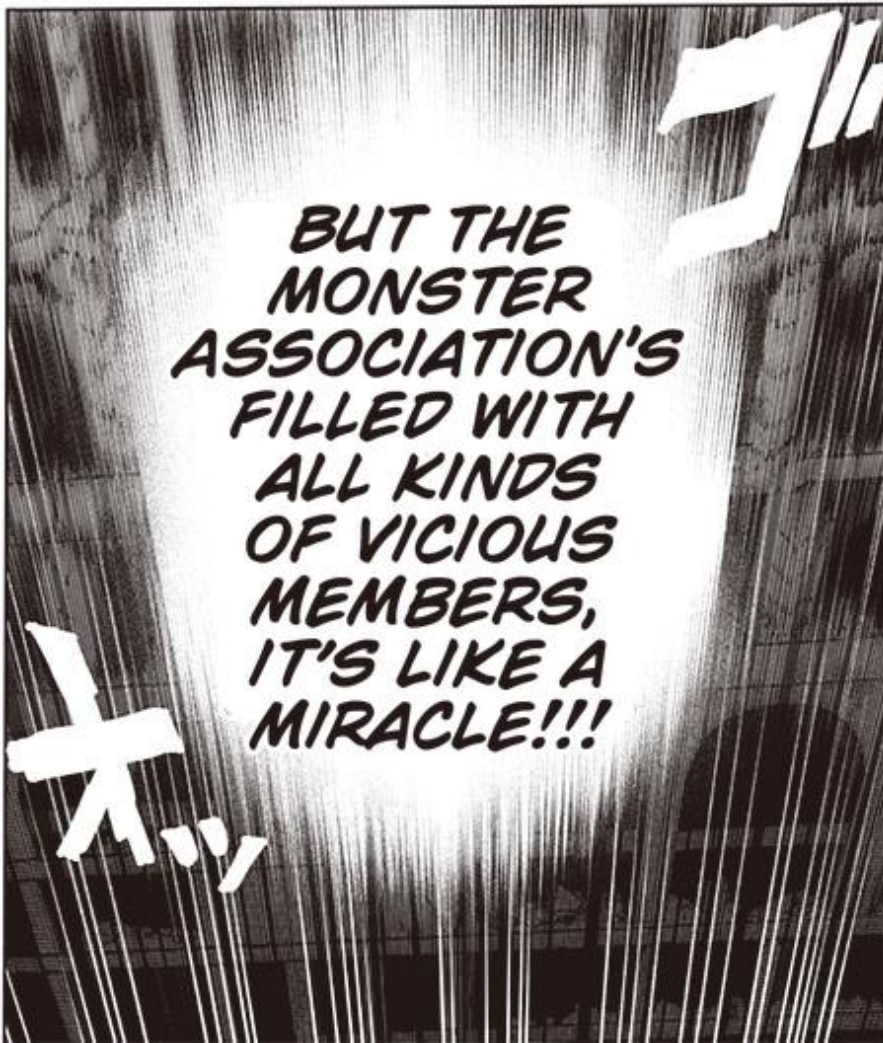

If Homeless Emperor and Black Sperm join forces, they can kill anyone.

The other S-Class can be dealt with using battle compatibility, all except Tatsumaki. She is giving me a headache, I'm at my wits' end.

As expected from someone whose power frightens her own sister.

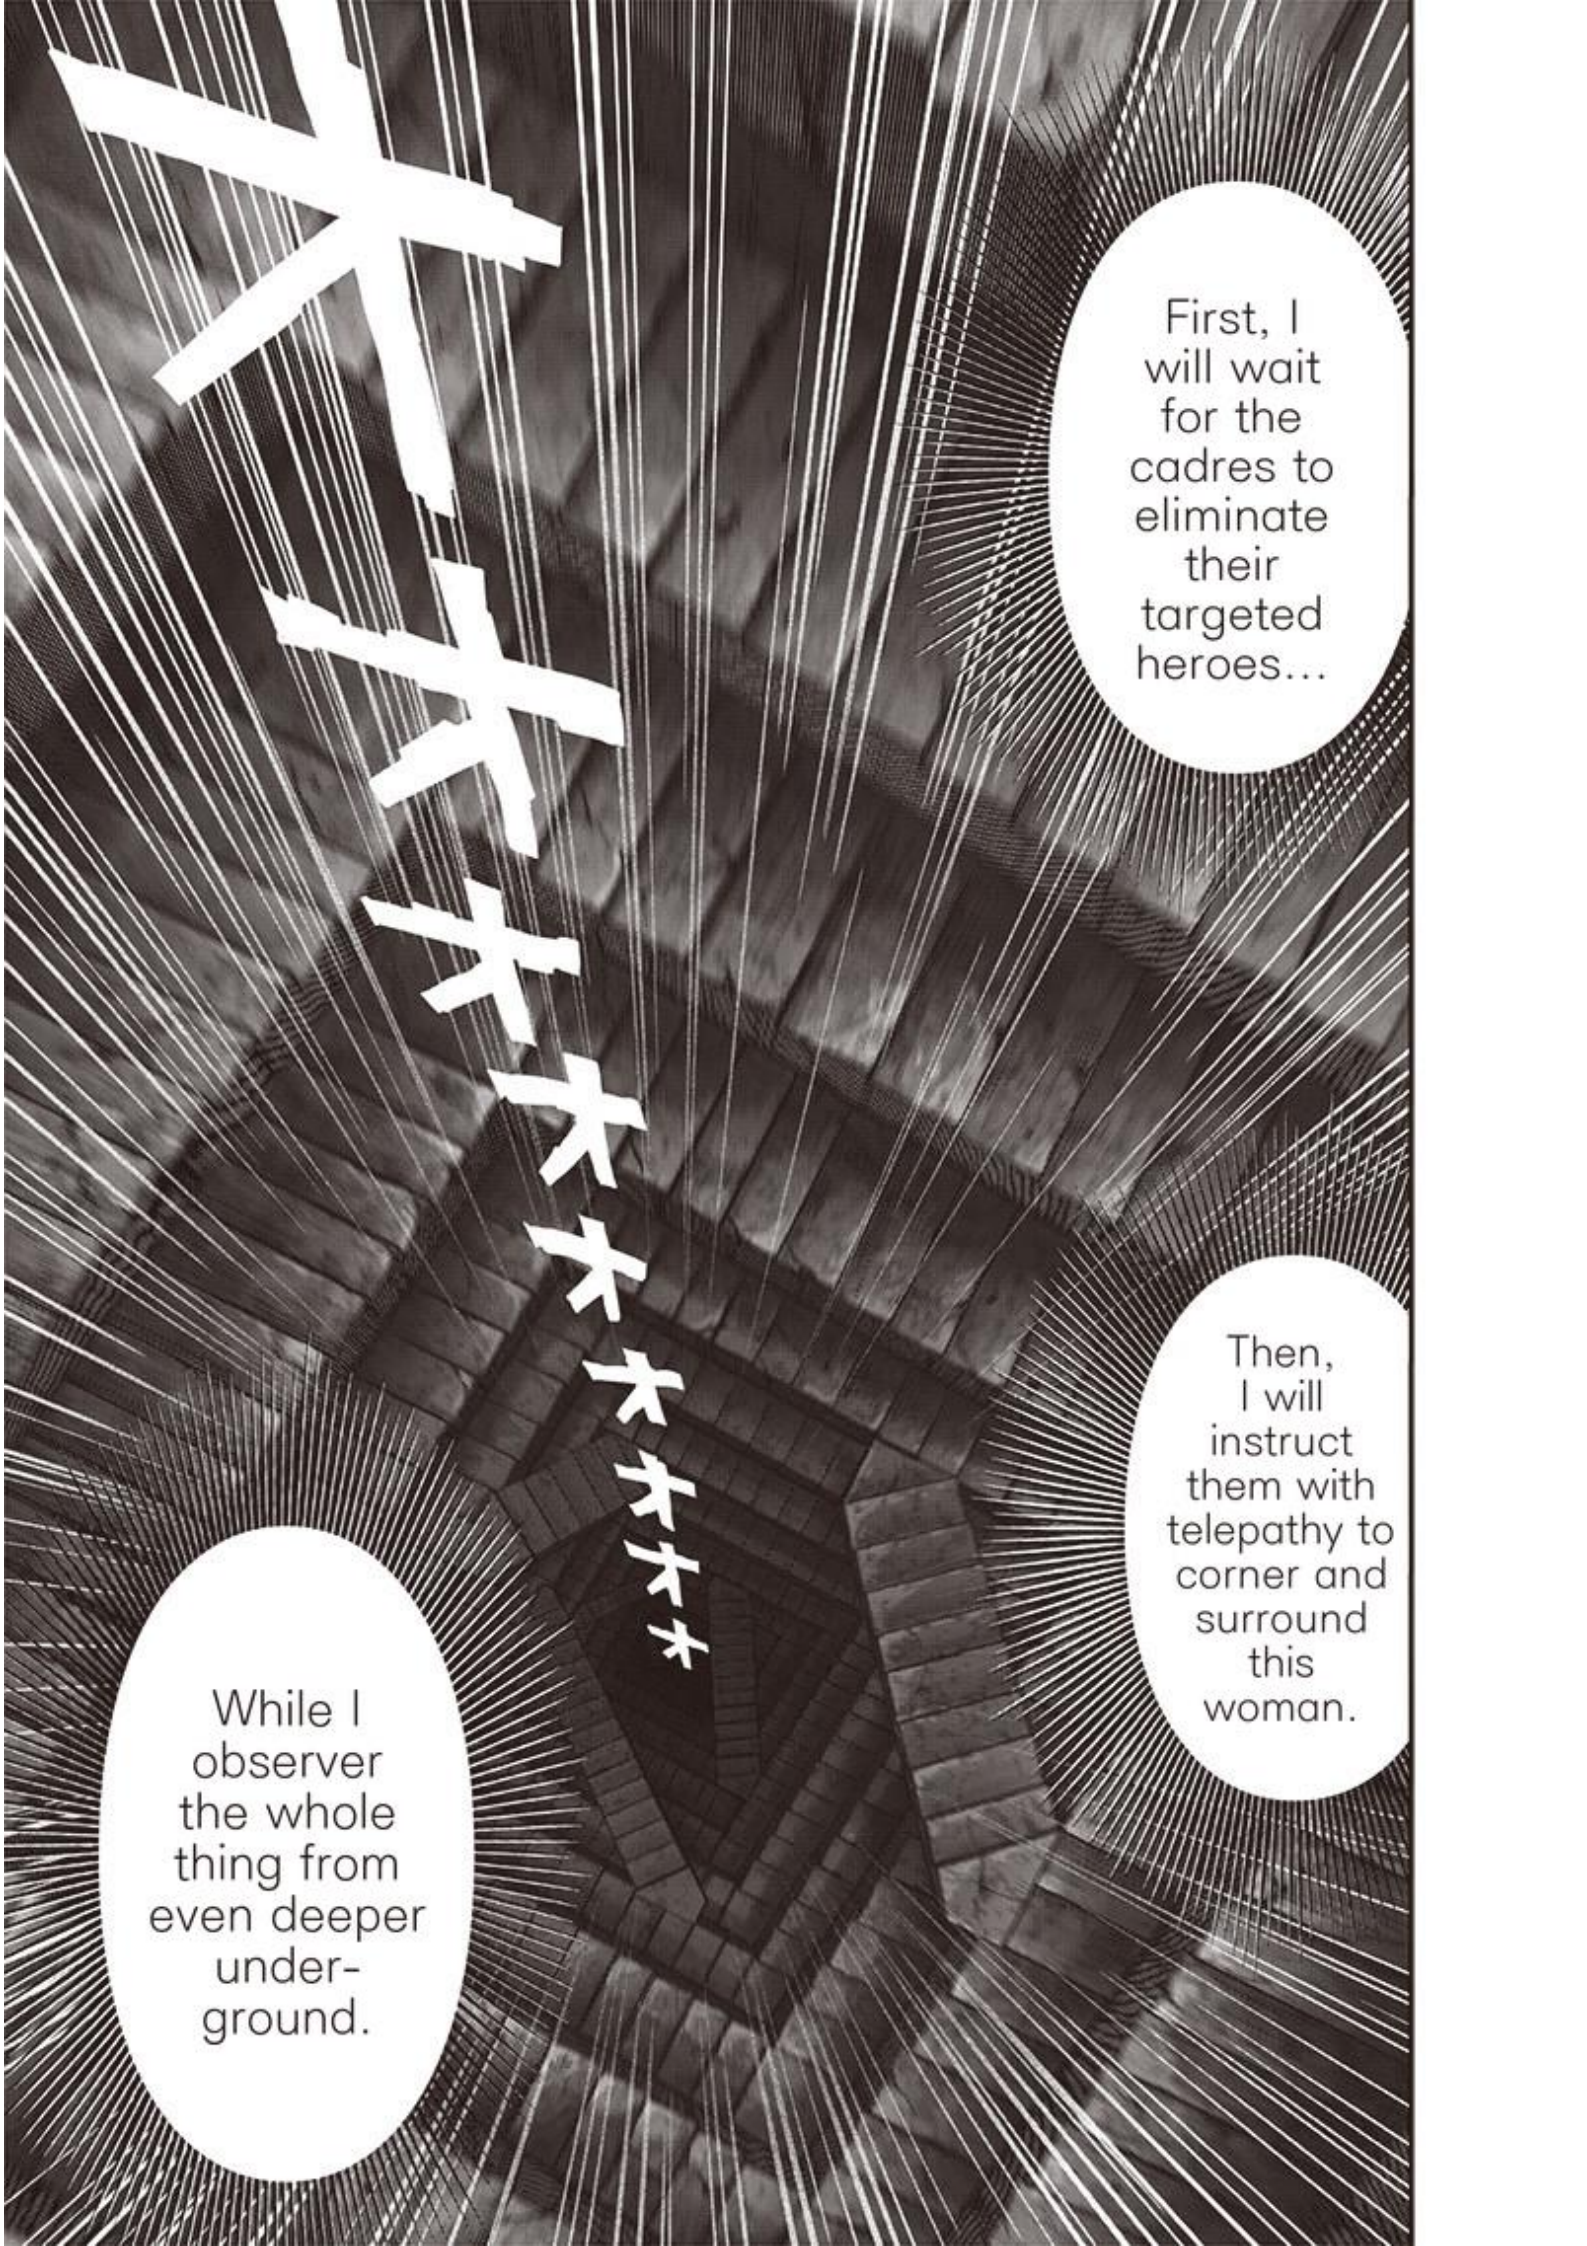

That said...

BUT THE MONSTER ASSOCIATION'S FILLED WITH ALL KINDS OF VICIOUS MEMBERS, IT'S LIKE A MIRACLE!!!

It's impossible to gather multiple "dragon" levels together under normal circumstances.

First, I
will wait
for the
cadres to
eliminate
their
targeted
heroes...

Then,
I will
instruct
them with
telepathy to
corner and
surround
this
woman.

While I
observe
the whole
thing from
even deeper
under-
ground.

I can prepare a new puppet

Not even the monsters know where the real me is located...

This is a good plan

**BECAUSE
REAL RULERS
WOULD NEVER
SHOW THEM
-SELVES IN
THE OPEN**

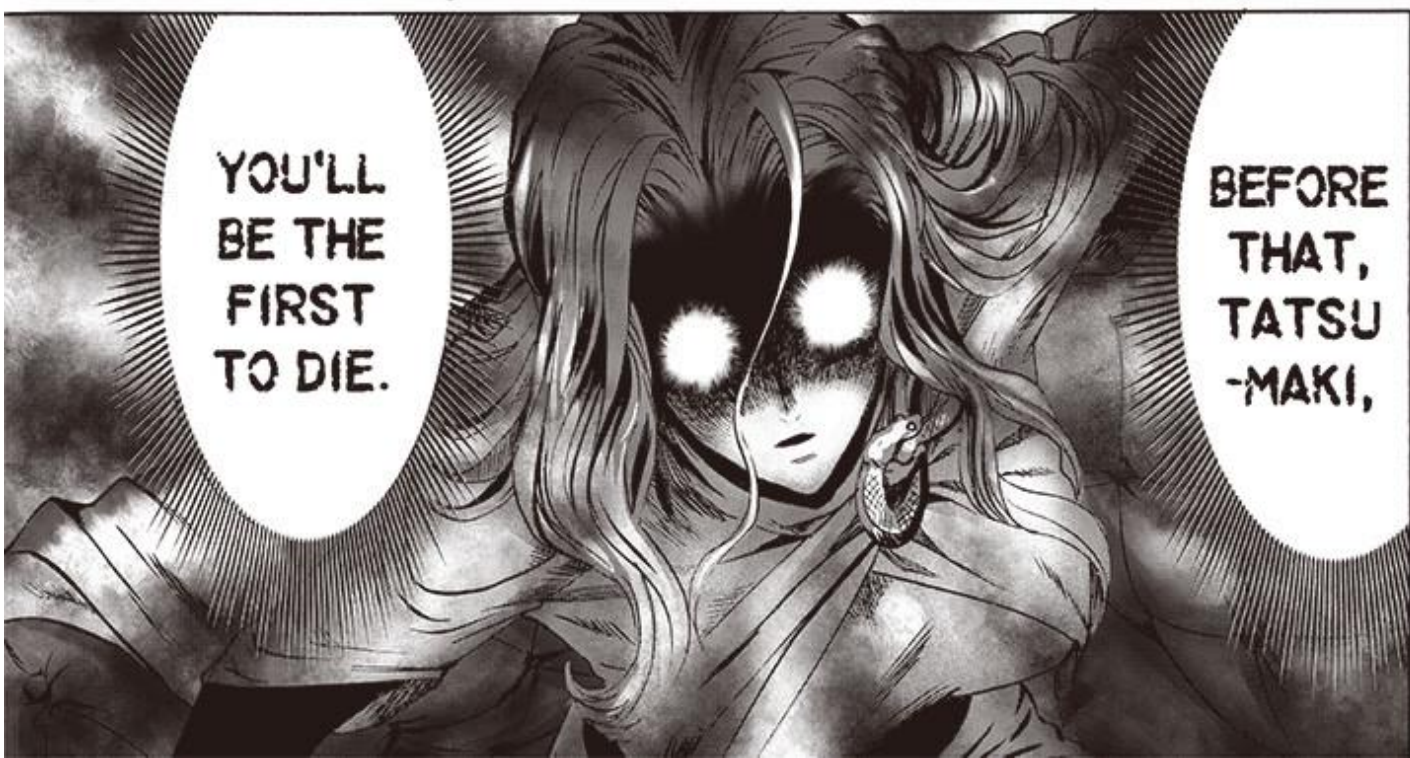

Every-thing will be in the palm of my hand.

I will enjoy watching humanity slowly perish.

All of humanity will fear this new unknown ruler.

YOU'LL BE THE FIRST TO DIE.

BEFORE THAT, TATSU-MAKI,

**AAH,
THERE
YOU
ARE.**

**FOUND
YOU**

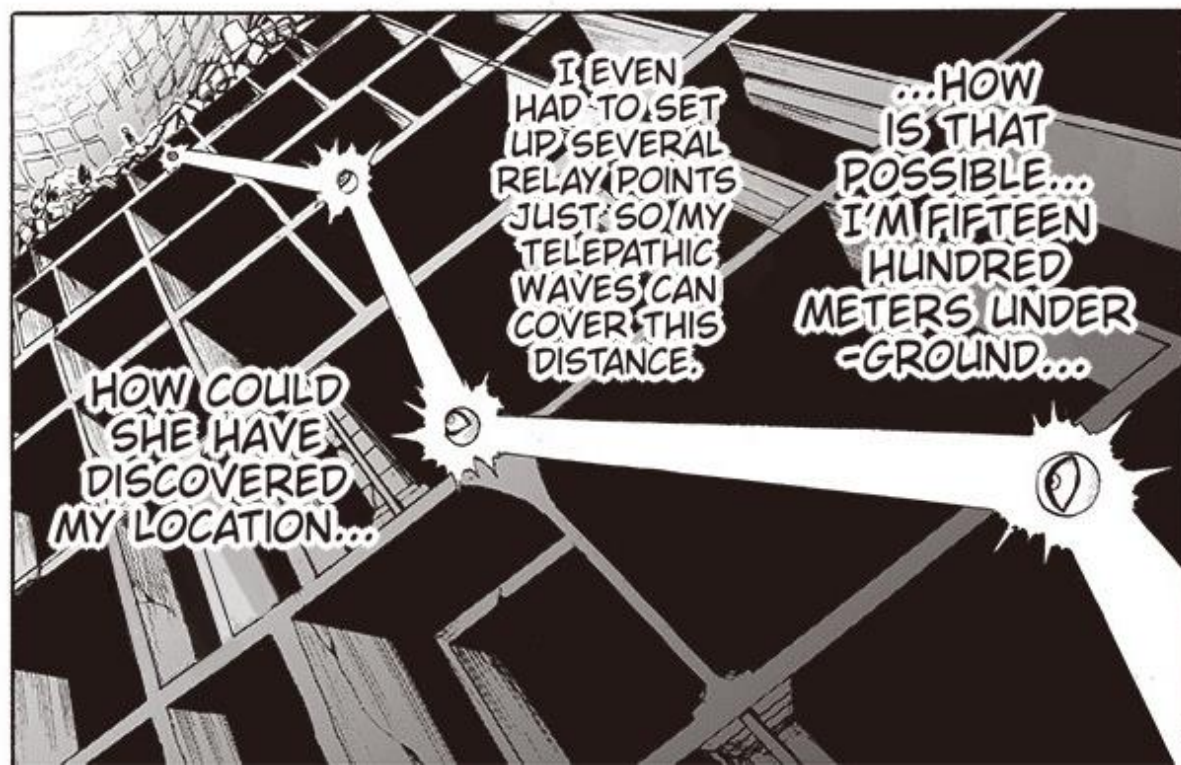

Fou...
...she
found
me...?

"Found
you"
?

**THAT
CAN'T
BE...**

...NO

I EVEN
HAD TO SET
UP SEVERAL
RELAY POINTS
JUST SO MY
TELEPATHIC
WAVES CAN
COVER THIS
DISTANCE.

...HOW
IS THAT
POSSIBLE...
I'M FIFTEEN
HUNDRED
METERS UNDER
GROUND...

HOW COULD
SHE HAVE
DISCOVERED
MY LOCATION...

She's
looking
right at
me...!

...no!

Crap
...!!!

Was she
able to sense
the distant
location of the
signal source from
the tiny amount of
telepathic waves
coming out of
my Gyoro Gyoro
puppet!?

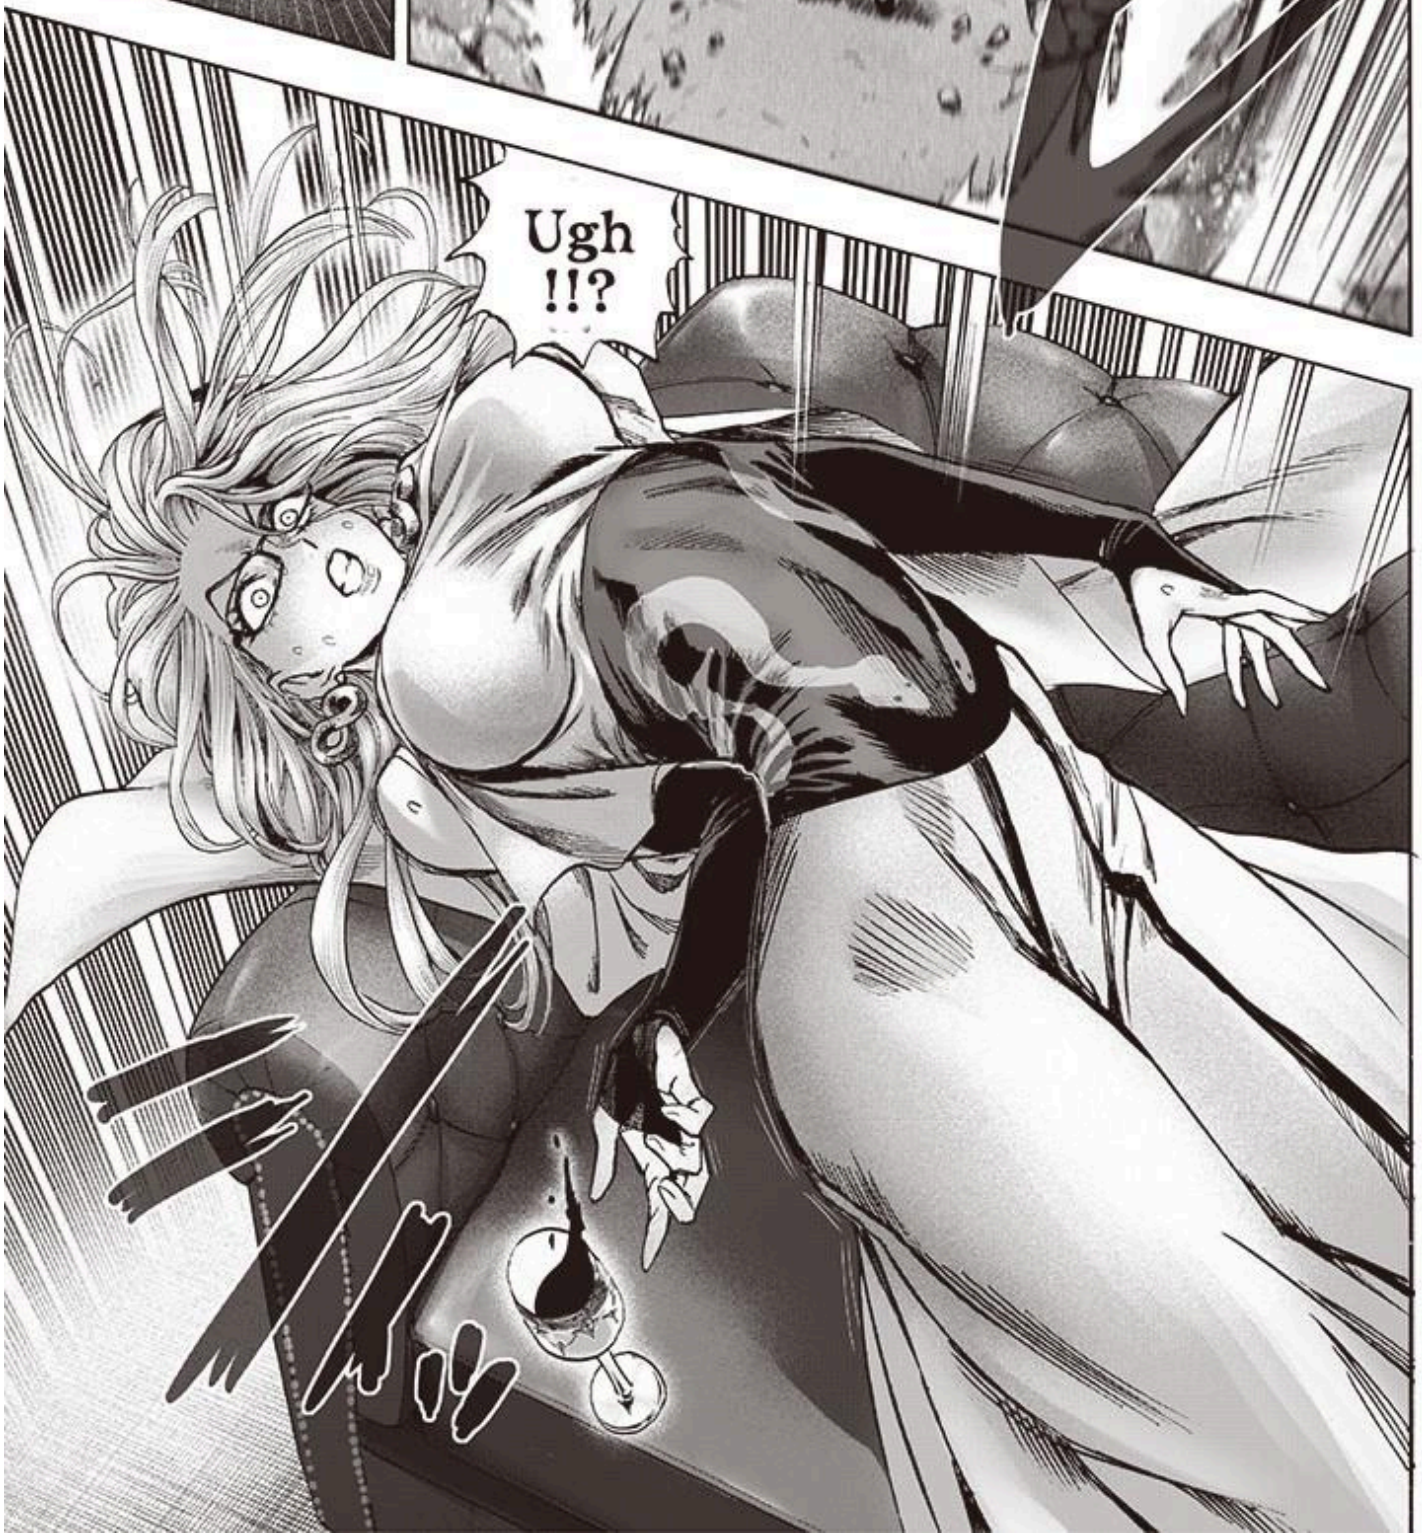

COME
OUT AND
JOIN THE
PARTY!

STOP
HIDING
ALL THE
TIME,

ゴ

Ugh
!!!

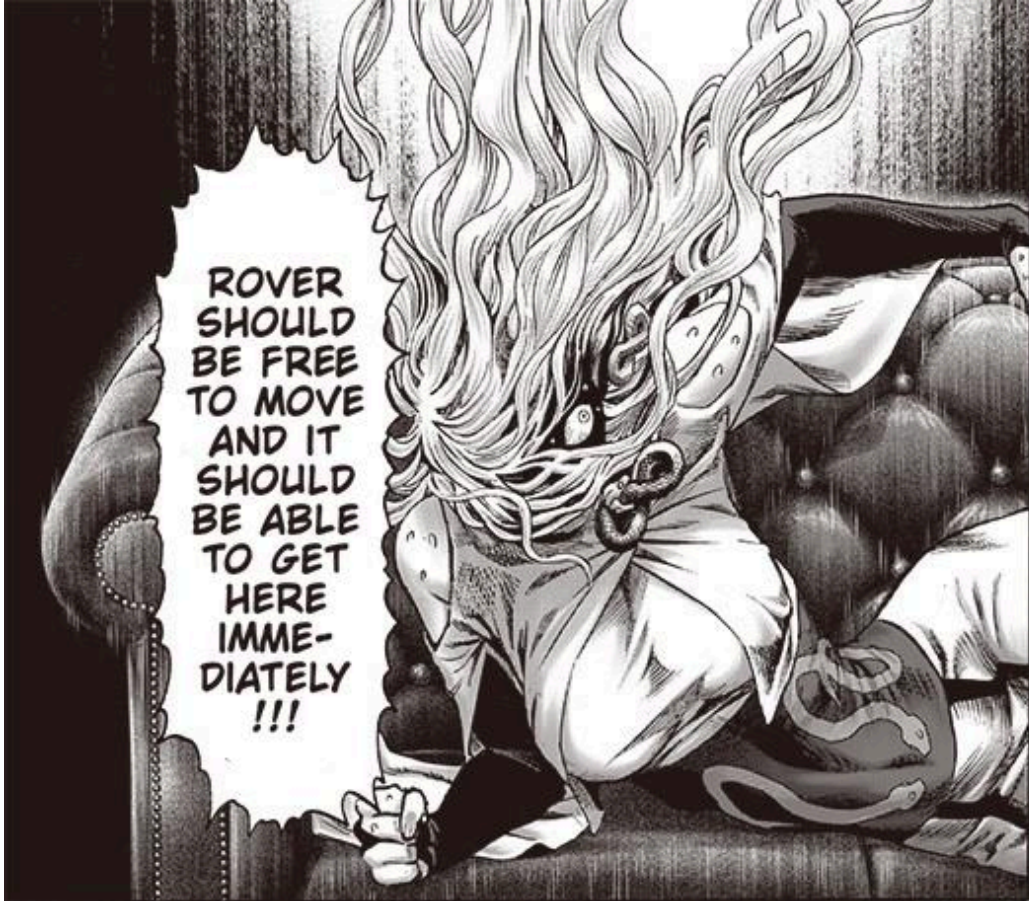

I'm
being

She's
